

**ICON 54—006: Immediate delivery**

The three cabin, twin ensuite layout features internal stairs to the fly bridge, an aft helm and cockpit day head / laundry. Interior gloss Beech timber with walnut trim and feature panels, combine with natural tone fabrics to create a spacious, inviting and modern interior, which is both practical and versatile. The saloon table converts from a coffee table to a full size dining table, and is raised and lowered on an electric leg. The aft positioned galley includes a full range of modern, S/S Fisher and Paykel and Bosche appliances, corian bench top, Blum soft shut drawers and a large, electric vertical opening window in the aft bulkhead.

The comprehensive specification includes: 16 kw generator, air conditioning throughout, including the fly bridge, CCTV cameras, Bose surround sound entertainment system, 32" LCD screen in saloon, Raymarine electronics, in built gas barbeque, live bait tanks, game poles, washing machine / clothes drier, 350 kg davit, teak deck and much more. Powered by twin MTU Series 60, 825 hp engines with 4000 litres fuel, ICON 6 has a top speed over 32 kts and impressive economy and range figures of 500 nm at 24 kts and 1200 nm at 10 kts.

LOA: 17.8 m      Beam: 5.65 m      Draft: 1.2 m      Displacement: 24,000 kgs (Half ship)
